GOLF EQUIPMENT Taylormade Kalea Ladies

MEET KALEA
– WITH LOVE FROM TAYLORMADE!

One thing that you cannot accuse TaylorMade Golf of is for being conservative and reserved. The company is anything but that! The company which has given us so many great products over the years thrives on innovation and lives to keep raising the bar whenever opportunity presents itself. Recognising the women's golf market and the potential that it offers, TaylorMade has been quick off the mark to launch an exciting all-women's set of golf clubs in a bold move to seize first-mover advantage in this product category.
